ITEMS OF INTEREST . . .

The Langston University Development Foundation has launched its annual fund-raising drive. A tremendous impetus to the drive's momentum was a \$10,000 grant presented to President William E. Sims by Mr. William Bickel, Vice-President of the Gulf Oil Foundation, Houston, Texas. The grant was one of many to be presented by the Gulf Foundation to educational institutions. However, Mr. Bickel stated that the Langston gift was the largest of grants to be presented.

If you have not done so, plan to make your contribution soon--any amount, large or small, will be used to insure the growth and quality of the educational program at Langston.
