NEWS ITEMS

Dr. Agnes Berrigan, Professor Emeritus of English and Humanities, Oklahoma State University, will be speaker at the Communication Department's seminar on Greek Drama 9 to 12 noon Tuesday, Nov. 25, room 313, Page Hall.

The National Science Foundation awarded 73 grants totaling more than \$5.9 million to improve science, mathematics, and engineering education at minority colleges and universities. This is the fourth-year of the Foundation's continuing program for institutions of higher education whose enrollment is predominantly composed of disadvantaged ethnic minorities such as Black, Native-American, and Spanish-Speaking students. The program is designed to help the Nation work towards equal educational opportunity and to capitalize on the unique national resources represented by this group of institutions. . . For additional information, contact office of Development and Public Relations.

Student Recruiter Ann Corrado was in Miami, Okla., Nov. 21, to attend High School Career Day and tell students about the advantage of pursuing a higher education at Langston University . . . The Rev.
