RETRACTION: A mistake was made in the November Gazette. On page 2 in the article, "B.S.U. Explained", paragraph two, the first sentence should read, "It is up to us as black people to unite and realize our potential and power. It is limitless. Instead, we play in the hands of whitey by alienating ourselves from our African sisters and brothers.", instead of how it appeared in the Gazette. Our apologies to Sadie Newsome, president of the Black Student Union. The mistake changed the whole meaning of the sentence.
