Twelve Langston University students were named to the President's Honor Cabinet for the Fall 1972 Semester, according to Dr. Helen R. Carter, Director of Admissions and Records. The students were enrolled in at least 12 semester hours and earned a 4.00 average.

A total of 237 students were listed on the Dean's Honor Roll. These students earned a grade point average of 3.00 and above.

The 4.00 students are BEGGS - Ogetts Irons Powell, English, senior; BRISTOW - Beverly Bruton, Mathematics, freshman; GUTHRIE - Margaret Oliver, English, senior; LANGSTON- Caldonia Keepler, English, Freshman; Keith Northington, Business, sophomore; OKMULGEE - Richard Roquemore, Business, senior; SHAWNEE- Archille Webber, Electronics, freshman; TULSA- Gwenda L. Sango, Mathematics, freshman; RUTHER GLEN, VIRGINIA- Leaneer Randall, Biology, senior; WICHITA, KANSAS- Samuel M. Hill, English, freshman; and ETHIOPIA - Delnessahu Atlabachew, Business, junior.

Every student receiving financial assistance was awarded College Work Study for the year. Some did not report to Financial Aid for job assignment and therefore this created a balance on your account in the Business Office.

This semester your award was increased and you should report to the Financial Aid Office to check your award and also check the number of hours you are to work this semester.

This should be done immediately so that you will not have any problems in picking up your meal ticket for the second half of the semester.

You should report to the same supervisor you had for the previous semester. If you were not employed the first semester, report this to the Financial Aid Office for your assignment.
